Your request for records under the Freedom of Information Act/Privacy Act has been processed. This letter constitutes a reply from the Executive Office for United States Attorneys, the official record-keeper for all records located in this office and the various United States Attorneys' Office. To provide you with the greatest degree of access authorized by the Freedom of Information Act and the Privacy Act, we have considered your request in light of the provisions of both statutes. All of the records you seek are being made available to you. We have processed your request under the Freedom of Information Act and are making all records required to be released, or considered appropriate for release as a matter of discretion, available to you.

[X] After reviewing all the documents, we have determined that we can make a full release. A fee is being assessed for the last 3 hours of the 5 hours' total search time. There is no copying fee. The total fee, therefore, is \$120. There were 16 responsive e-mails. Most of the requested e-mails consist of an e-mailed Reuters newsletter to former U.S. Attorney Bharara that is probably available from Reuters for a fee. Two of the e-mails are e-mails you sent to U.S. Attorney Bharara. Please select one of the options below:

[] I would like to receive all 16 and agree to pay \$120 for 3 hours of search time.

[] I do not wish to receive the records and do not wish to pay the \$120 in search fees.

We will act on your response as soon as we receive it, will not require advance payment of any search fees you agree to pay, and will instead bill you after releasing the records. If you agree to pay the fees and receive the records, they will be made available to you via FOIAOnline or, if necessary, as attachments to one or more conventional e-mails.
